

# Premium Full Power Low-Maintenance Battery

## Dissipater Vent Caps

Our vent caps will reduce maintenance and extend the life of your battery. Instant acid level, reduced water loss while charging, acid overflow protection and the ergonomic design means lower maintenance costs and longer life of the battery.

## Connector Protector

Broken connectors can keep your equipment on the sidelines. Our Connector Protectors give you the added protection for industrial applications

## Cable Protector

Our cables are protected in clear plastic shrouds that keep them from being damaged, a common service issue.

# 5 Year Warranty

Our 5-Year Warranty is the best in the business. BBI Low-Maintenance Batteries are rated to provide 5-7 years performance.
